**HMP Communications, LLC partners with Red Kite International to Serve as its Exclusive Worldwide Licensing Agent for Healthcare Brands**

**Malvern, PA (PRWEB) June 12, 2011** HMP Communications, a leader in multi-media healthcare communications, today announced that it is partnering with Red Kite International to serve as its exclusive worldwide licensing agent for its healthcare brands. Red Kite International works with publishers to develop and implement international market strategies and licensing programs.

HMP Communications is a leading, fully integrated healthcare communications company with a variety of advertising supported properties including leading medical journals, annual symposia, webcasts, sponsored customized symposia/satellites, and regional meetings.

The following leading journals are being represented by Red Kite:

- Annals of Long Term Care
- Cath Lab Digest
- Clinical Geriatrics
- Consultant
- Consultant for Pediatricians
- EP Lab Digest
- First Report – Managed Care
- Journal of Invasive Cardiology
- Podiatry Today
- Ostomy Wound Management
- Today's Wound Clinic
- Skin & Aging
- Vascular Disease Management
- Wounds

For more information about licensing any part of the HMP Communications portfolio, please contact Michael J. Whalen of Red Kite International at 631-928-8117 or [michael.whelen@redkiteintl.com](mailto:michael.whelen@redkiteintl.com).
